ASPHALT RESURFACING

It’s that time again to resurface some of the alleys and driveways throughout HarborWalk. Every few years we have to resurface the asphalt and, where necessary, redo the concrete swales down the middle. A majority of the work will be around buildings 21-25. This work will start Sept. 24th and conclude Sept. 30th. Additional work around the complex will be performed on Oct. 2nd.

This work will impact garage access, laundry room access, parking, and trash collection.

For details, please see the news article on the HarborWalk website.

MUSIC AT THE MARITIME

The *Music at the Maritime* is returning to the Museum in September with verve! This year's event features *Cascada de Flores*, a marvelously talented San Francisco ensemble which engages audiences by opening minds and hearts to the real stories of Mexico and Latin America via soulful music and dance. Tapas and sangria will accompany these talented performers, who will fill the Maritime Museum with song and rich musical tradition.

Proceeds from Music at the Maritime 2015 will benefit our flagship *Every 5th Grader on the Water* program, which allows thousands of local schoolchildren to visit the Museum and feel the waves beneath their feet aboard vessels in the Harbor, many for the first time.
