SUMMERTIME SECURITY

The summer months always bring a lot of visitors to Hollywood Beach and with that comes crime. Please be alert and if you park your car on the street, don't leave the doors unlocked or valuables in plain sight. If you see something suspicious, please contact the Oxnard Police. If you see something on HarborWalk property, call Archon Security 800-274-5717.

POOL SAFETY

The weather is warming and the pools are looking rather inviting. We have 4 pools for 244 homes. The safety rules are so that everyone has an opportunity to use them:

A broken bottle of glass means the pool has to be drained and cleaned

Do you want to swim in water that a diapered baby was playing in?

A weekend doesn't go by where these rules aren't violated. Please be considerate of your fellow HarborWalk tenants. Homeowners, please remind your renters, you have to pay the fees to maintain the pools.

HARBORWALK GARAGE SALE

The Association is looking for volunteers to organize the Annual HarborWalk garage sale. If you can help, please contact Leona in the HarborWalk office. Individual garage sales are prohibited by the CC&Rs.

EMAIL BEACON

In an effort to save money, the Beacon is being e-mailed to those that we have an e-mail address for. If you have not received e-mail from HarborWalk please send one to harbor.walk@verizon.net with your name and HarborWalk street address.

Copies of the Beacon are available in the Clubhouse and archived on the HarborWalk webpage: <http://harborwalkhoa.com>

If you have tenants in your unit, please ask them to forward their e-mail address to the HarborWalk office so that we can send them a copy of the Beacon.

Moon Jellies in the Channel Island Marina. This spring the north end of the Marina has been filled with jellyfish, an unusual sight for the marina. There are usually plenty of rays and small sharks but currently the waters are awash in small jellyfish. Although relatively harmless to humans, it is still best not to touch. No one is sure why they are there but they like low oxygen conditions. Since the shut down of the power plant last year there has been concern about the water quality.

EMERGENCY SPA SHUTOFF

The spas each have a **RED** emergency off button. Please do not use this button to turn off the spa jets, except in an emergency. Using this button to turn off the jets under normal conditions causes harm to the motors costing Homeowners thousands of dollars in repairs each year.

EMERGENCIES

Does the HarborWalk office know how to contact you in case of an emergency?

Please provide the HarborWalk office emergency contact information and a key to your unit in case of an emergency.

If you have an emergency call 911. If it is something that HarborWalk can help with, contact the office during office hours at:

805-985-4300, after hours: 805-652-2405

Emergencies include:

- * Running water
- * Leaking gas
- * Smoke or fire
- * Anything that would put someone in danger

Locking yourself out of your unit is not an emergency. If the office is open, they might be able to help you if you have provided a key. After hours call a locksmith.
